DuPont

J. Michael Bowman
Chairman and President
Delaware Technology Park

Roger Roy
Former Representative
State of Delaware Legislature

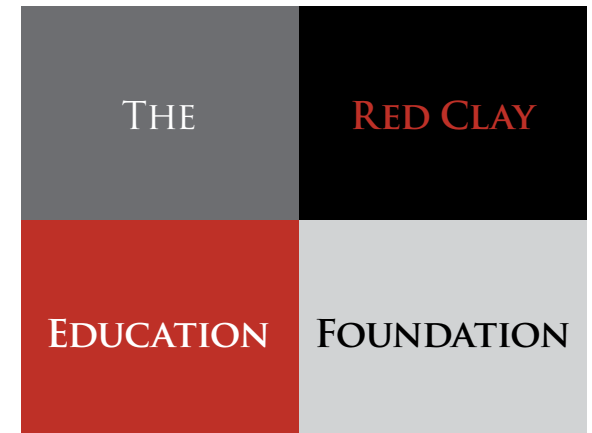

Anna C. Hamilton
President
Hamilton Investment Strategies, Inc.

Mission

“The mission of the RCEF is to provide additional educational experiences so our students are better prepared to succeed in the rapidly changing global economy.”

Accomplishing the mission will include developing financial and supportive resources for exemplary programs and projects outside of the regular school budget; advancing partnerships within the local, business, and academic communities in support of program development; and creating awareness in our community about the accomplishments of Red Clay Consolidated School District students and teachers.

Red Clay Education Foundation
Investing in our children's future

The Red Clay Education Foundation

Fast Facts

- ◆ The Foundation is empowered to:
 - Make grants to support transformational educational programs
 - Offer targeted scholarships and independent study awards to students and teachers of the District
 - Provide direction for charitable contributions made by private organizations and individuals
- ◆ Businesses and individuals can make endowments or donations to the Foundation for general purposes or unique programs identified by the RCEF.
- ◆ The Foundation will set priorities to support the development of new skill sets required in the emerging global economy. Our initial priorities will include funding for science and math activities with a special focus on bio-science and health care technologies.

How To Help

Donations of any amount can help with these priorities:

- ◆ Mini grants for school, classroom, or teacher support that would not be possible without outside funding
- ◆ Funds to address small financial needs that may prevent children from participating in school-sponsored events such as field trips and after school activities
- ◆ Scholarships for advanced placement tests, and entry fees and travel expenses for regional, state, and national academic competitions
- ◆ Professional development costs for teachers, principals, and administrators to expand their work-based learning experience
- ◆ Recognition awards for teachers and school staff
- ◆ Endowment funds to sustain programs and the Foundation

How To Donate

All donations are managed separately from District funds and will be administered through the Delaware Community Foundation and Artisan's Bank. Donations may be sent directly to:

The Red Clay Education Foundation
RCEF P. O. Box 1281
Hockessin, DE 19707
